WELCOME

Whether you are a first time customer or have purchased Discovery Toys across generations, I welcome you into our family. I am thrilled to announce that once again our team has assembled a top notch collection of learning through play products which are proudly presented throughout the following pages.

Our award winning products truly make a difference in the lives of children. The joy children derive from playing with a Discovery Toys product is only matched by the contribution made to their overall development. This year we present our products by Play Category. These Categories are based on the latest research conducted by leading minds in child development and represent the key areas of PLAY that promote growth and development.

I also invite you to learn about the Discovery Toys Consultant Opportunity. Would you like to make a real difference in the lives of children? Are you looking for a flexible way to make extra income? If so, Discovery Toys is a good fit for you. Speak with a DT Educational Consultant or call our Home Office as a first step towards joining our incredible team. Our Educational Consultants enjoy sharing our toys while also being able to spend quality time with family. And by the way, you can earn great rewards, win prizes in fun-filled contests and earn a spot on our legendary annual DT Incentive Trips. These are just a few of the perks of becoming a part of our team.

Together we can make a difference,

Join Us on an All-Inclusive Vacation!

"When I started with Discovery Toys, I was a single mom on maternity leave from teaching. I was able to earn income while working consistently from home, ~1 hour/day, around my son's nap and feeding schedules. I have so much fun getting out of the house a couple of evenings a week, teaching others about these unique learning tools. A surprising bonus is the friendships I've made, the rewards (like jewelry, trips and free toys), and the recognition and praise ... just for doing my job! Thank you Discovery Toys!"
